Gold Coast Chicken

NutriStudents K-12 includes:

- 100+ weeks of USDA-compliant, chef-created, student-approved menus (30-week lunch rotation for every age group preK-12!)
- A CookBook that automatically scales our step-by-step recipes to your student count
- Downloadable compliance reports, including semi-automated Food Production Reports
- USDA Commodity Calculator, for precise ordering of allocations
- DataBites™, your one-stop shop for choosing a menu cycle, forecasting meal counts, printing calendar menus, tracking inventory and creating a semi-automated shopping list for orders
- USDA Administrative Review support
- Breakfast Menu Builder, which allows you to easily create an entire year of breakfast menus in minutes
- Marketing and promotional resources
